

SECOND NOTICE OF APPEAL

TO: Anita Coupe
CC: Pablo S Whaley
CC: Reginald Tyson
FROM: Brian Haney
RE: U.S. Application No. 17/194,823
DATE: November 4, 2024
Customer No: 172663
Confirmation No: 1007
Application Filed: March 8, 2021

Dear Ms. Coupe,

Please be advised that an improper Defective Notice of Appeal was filed by Mr. Reginald Tyson in this matter on November 1, 2024. Then, an improper Abandonment was filed by Mr. Whaley on November 4, 2024. Please understand that both filings are illegal and procedurally improper.

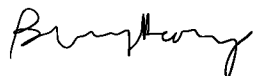

Please be advised that this is a second formal notice of appeal. I am reserving the right to appeal any and all final and non-final decisions and actions made by the United States Patent and Trademark Office with reference to U.S. Application No. 17/194,823.

I am also reserving all rights to remedies with respect to any specific legal, ethical, or other obligations violated by You, Mr. Whaley, Mr. Tyson, or the United States Patent and Trademark Office throughout this patent prosecution process.

You have been made aware on several occasions that you do not have the authority to override U.S. Law, specifically 35 U.S.C. 101 and 35 U.S.C. 112, or the Constitutional and God Given rights associated with the ownership of intellectual property. I will enforce these rights on appeal, and I will win because Federal Courts must respect U.S. Law and the private property rights of individuals. You're continued defiance of federal law may have both civil and criminal penalties, as determined by federal authorities and in compliance with U.S. Law.

This Notice is filed in compliance with 35 U.S.C. 134 and 37 CFR 41.20.

Sincerely,

Brian S. Haney
